

KAUFMAN LOFTS

LOCATION: KITCHENER, ON
CLIENT: CITY OF KITCHENER
TYPE: ADAPTIVE REUSE, HERITAGE PRESERVATION
DATE: 1998

MHBC worked with the City of Kitchener to develop a comprehensive adaptive reuse and heritage preservation plan for a former industrial building located at a prominent intersection of Kitchener's downtown. As part of a public/private sector team, MHBC led the planning evaluation that facilitated the long-term vision for the property while preserving the historical and architectural significance of the building. MHBC was presented with the 'Provincial Outstanding Planning Award' in recognition of excellence for the Kaufman Footwear project. This award was presented by the Ontario Professional Planners Institute in 1998.
