

LAFARGE FONTHILL

LOCATION: PELHAM, ON
CLIENT: LAFARGE CANADA INC./TCG MATERIALS/BLUE CIRCLE
TYPE: AGGREGATE APPROVALS AND RESTORATION
DATE: 1998

MHBC provided planning services for two expansions of the Fonthill Pit. The projects required careful consideration of agricultural, groundwater, natural heritage, and geological resources. A comprehensive and integrated approach allowed for the realization of the aggregate resource with progressive restoration of specialty crop for tender fruit orchards.
